

Crucifix Gifted to Sacred Heart Parish

In the summer of 2007, Sacred Heart parish community received the special gift of a new crucifix. These photos are taken on August 7, 2007 while parish volunteers used special care hanging it for the whole faith community to enjoy for many years. The crucifix was blessed on September 9, 2007 at the 10:30 Mass. Much gratitude is given to Terry Greenwood and Merle Carter for their professional craftsmanship in building the beautiful wooden cross and to all those parishioners who helped hang the new crucifix in its new home.

Pictured below are volunteers (from top to bottom L to R): Terry Greenwood, Bill Kuznia, John Lunski, Alex Kuznia, Zachary Kuznia, Punky Beauchamp, Merle Carter and Duane Jeffrey.
