FAMILY FUNDRAISING COMMITMENT

Commitment is a portion of tuition raised by school families through participation in one of several fundraising programs or via volunteering with the Advancement Office.

The participation of school families in fundraisers helps minimize tuition increases. Each fall the Advancement Office provides a list of ways you can easily meet your commitment and tracks the success of your family fundraising and any volunteer hours worked.

If you choose not to participate in the fundraising efforts, your family and/or student commitment balance must be paid by the end of the school year (May 31st, 2019).

FAMILY FUNDRAISING COMMITMENT

Preschool only Family Commitment	= \$200 per family
K-12 Family Commitment	= \$650 per family
7-12th Grade Student Commitment	+ \$150 per student
Child attending other Catholic Elementary	- \$400 per family

*If you have a Preschool and elementary student your family commitment will be the higher of the two rates. Do not add the two family rates together. If you have **other children attending a Catholic Elementary School** please notify the Advancement Office at the start of school for this credit.*
