Dear Colleagues,

We hope your school year is off to a great start! This fall, we are thrilled to welcome the largest and most talented incoming freshman class in Saint Louis University history – the first class of our third century.

We are writing today to announce an exciting new opportunity for your students. The **Gateway Leadership and Service Award** will be granted to one senior from each high school. Valued at \$20,000 over four academic years, this award is designed for students who have demonstrated a commitment to our Jesuit values – regardless of their background or tradition.

We are looking for your conscientious leaders, your enthusiastic servants, your generous teammates. Our students come to SLU not only to change the world, but to find their place in it. With this award, we hope to engage seniors who want to become the best versions of themselves – and who will enrich our entire community in the process.

We invite you to nominate a student from your high school who is interested in attending Saint Louis University and who you think would be a good fit for this award. Nominees are required to apply for admission to SLU for the Fall 2020 term and to submit an essay as part of their application. Awardees must be eligible for admission to SLU. Students can apply online at slu.edu/apply or via the Common Application. Nominations can be submitted online at slu.edu/gateway.

Please don't hesitate to contact your admission counselor, **Lainie Davis**, at **LAINIE.DAVIS@SLU.EDU** or **314-977-3259** with any questions you or your students may have. Find upcoming visit opportunities at slu.edu/visit and get more information at slu.edu.

Thank you for everything that you do to support your students. We are grateful to work with dedicated professionals like you!

Sincerely,

Jean Marie Gilman Cox
Dean of Admission
