

# Register now for the Sacred Heart Chess Club!

The Sacred Heart Chess Club is open to all students 2nd-7th grade and to students of all chess abilities, beginner to advanced. Chess will be taught by instruction, problem-solving, and peer play for all levels.

The chess club is free. Parents are also needed to help out. The limit to the club is twenty students.

We plan to meet weekly on Tuesday evenings from 6:00-7:15 pm in room 212 (Mrs. Garritson's room on the second floor). Please use **door #2** (west side with a painted eagle on the wall) to enter the building. If there is a game, simply tell the gatekeepers you are with chess club. You do not need to bring anything. Everything is supplied.

Instruction is by Nic Oancea, who has 14 years experience as a chess instructor. Mrs. Garritson facilitates and is available to assist him. This is our fourth year at Sacred Heart and Mr. Oancea has run a similar program at Phoenix Elementary School in Grand Forks.
