

Sacred Heart School

Catholic Schools Week 2019

Catholic Schools across the nation devote an entire week to celebrating their valuable contributions to churches, communities, and to the nation. Throughout Catholic Schools Week (**Sunday, January 27 - Saturday, February 2, 2019**), we look to emphasize the value Catholic education provides to our young people as we carry out the theme of “Catholic Schools: Learn. Serve. Lead. Succeed.”
