REQUIRED FAMILY FUNDRAISING COMMITMENT

Participation in our fundraisers helps minimize our tuition increases and helps keep our tuition as low as possible. Each fall the Advancement Office provides a list of ways you can easily meet your family commitment amount and tracks the success of your family fundraising including volunteer hours which can be applied toward commitment.

The full cost to educate each individual student at Sacred Heart School is **\$8,290**, so all students who attend Sacred Heart School receive tuition assistance. Families who choose to pay the full cost to educate amount of **\$8,290** receive a tax benefit in the form of a charitable donation for the difference between the full cost to educate and published full tuition amount for their child(ren).

For those families who do not wish to participate in fundraisers and are not currently paying the full cost to educate their child(ren), you can simply choose to pay the full commitment balance by the end of the school year.

FAMILY FUNDRAISING COMMITMENT

Preschool ONLY Family	= \$200 per family
K-12 Family Commitment	= \$650 per family
Additional 7-12th Grade Student	+ \$150 per student
<i>Discounts:</i>	
Child attending other Catholic Elementary	- \$400 per family

*If you have a Preschool and elementary student your family commitment will be the higher of the two rates. Do not add the two family rates together. Add \$150 per 7-12th grade student to family commitment. If you have **other children attending a Catholic Elementary School** please notify the Advancement Office at the start of school for this credit.*
